

TIGER BEAT QUESTIONS

and ANSWERS

Q I have three questions I really would like answered. What is Marie Osmond's middle name and when is her birthday? Also what's Wayne and Alan's middle name?

A Actually Marie's middle name is Marie. Her first name is Olive but she has always been called Marie to avoid confusion between Marie and her mother whose name is also Olive. Alan's middle name is Ralph, and Wayne like Marie is called by his middle name.

Q I'm so confused! Could you please tell me the height and weight (as of now) of Donny O.? It would be nice to know the truth for a change.

A Donny is growing so fast it's pretty difficult to keep up with him. His latest statistics though are: height — 5'9", weight — 130 pounds. Hope that helped.

JAN-MICHAEL

Q I just adore Jan-Michael Vincent. Could you please tell me where he was born and raised? Also where can I write him?

A Jan-Michael was born in Denver, Colorado. Soon after his family moved to Hanford, Calif. And that's where Jan-Michael was raised on a 20 acre farm. To write to Jan-Michael write c/o Tiger Beat!

Q I have just heard about two swinging twins, Andy & David in the Aug. '73 issue of Tiger Beat Mag. I admit I haven't been getting T.B. for a while and I'd like to know more about them. I have a couple of questions about them both:

1) Where can I write them? and
2) What is their birthdate? One more thing please print more of them in Tiger Beat. Thanks.

A That's what you get for not keeping up regularly 'cause you've missed tons of things on both Andy & David. You can write them at their fan club, P.O. Box 1409, Beverly Hills, Calif. 90213. The twins were born Feb. 22, 1959. And as for who the oldest is, it is Andy who is 13 minutes older.
