

**A** David is an Arian born on April 12, 1950 which means he is 23.

**Q** I would like to know which Brady sings on the album "Phonographic." Do the younger kids sing too?

**A** They sure do. All the Brady kids can be heard.

THE BRADY KIDS

**Q** I would like to know the height of Eve Plumb, Maureen McCormick and Marie Osmond.

**A** Sure enough. Eve is 5'1", Maureen 5'5" and Marie is 5'4".

**Q** Help! I just heard the Osmonds had an accident in their act. It seems they were demonstrating their karate skills when Alan and Jay really collided. Someone said that it required a lot of stitches in both. What happened? Please no scars.

**A** Right you are. In the middle of their demonstration Alan really hit Jay in the nose and broke it in 4 places. On top of that Alan split his own hand which required 6 stitches. But, by now they are recovered and no scars!

ALAN

NINO

**Q** How tall is Nino DeFranco? I heard that he is 6'2" is this true?

**A** Guess you heard wrong. Nino is 5'8"!

**Q** Every month you introduce new faces. Where do you get them from? And who

finds them? If it's not to much trouble I'd love to know. Thanks.

**A** Actually it's you the readers who find the new faces for us. When a lot of people write in on one person, either asking questions or just generally commenting on him we go out and get information on them to share with you.

**Q** Could you tell me who wrote "You've Got A Friend"? Was it Carole King or James Taylor? Thank you.

**A** The talented lady, Carole King, is the composer of the song.

CAROLE

MARK

**Q** Could you please tell me the height, weight and birthdate of Mark Hamill. I think that he is so cute.

**A** We agree that Mark is a pretty good lookin' guy. As for you answers Mark is 5'7", weighs 130 pounds and was born Sept. 25th, 1951.

**Q** Randy Mantooh is the only actor I like (and ever will for that matter). So I wish you would tell me when his birthday is and where he was born.

**A** Anything to help a fan. Randy was born Sept. 19, 1945 in Sacramento, Calif.
