DONNY OSMOND has really changed! And, it's a beautiful change that everyone knew all along was going to happen! He's becoming a handsome and charming young man! You know, DONNY's 15 now and his voice has changed a lot. Actually it's been changing slowly for the past year from the voice of a darling young boy to that of a beautiful young man! That means DONNY's voice is a little lower, a little softer—more sexy and romantic (if that's possible!). And DONNY's growing in other ways too! He's grown another inch—he's now 5'7" and he's gained 4 pounds! Each day that passes turn DONNY into the man he'll someday be

way, at Christmas time, LYN and TOMMY were still expecting their first born child so we'll fill you in on all that next month!

That reminds me of a personal request DONNY and his brothers asked me to ask you! DONNY received so many gifts for his birthday, and the entire OSMOND family was just swamped with your Christmas packages to them and they loved them all.

They want to thank each and every one of you for all the love you send their way! But, you know, one of the best ways you can show your love even more, is by sending instead of a gift to DONNY or his brothers, a small contribution to the Osmond Foundation.

DID YOU guess them right? If you said Andy's in the brown shirt, David in the white, you guessed the Williams twins exactly right! WOW!

tributions or letters.

The Partridge set was a busy place this week as the Partridges prepared to close down shop until next May! That's right! Filming is over for the season and that means DAVID will be doing more touring again! Stick to Tiger Beat for up-to-the minute concert schedules!

And, something very mysterious happened on the Partridge set last Monday! DAVID CASSIDY was having a screen test for a movie! It's a big secret, but DAVID said I could go ahead and tell you! He's as thrilled about it as I was when I heard the news, but I can't tell you anything else about it just yet—I promised! But, as soon as everything's complete you'll read all about it first, right here!

A SURPRISE for me when a great singing group, The Raspberries, visited our Tiger Beat offices recently!

THE OSMONDS were a big success in England, and everywhere they went in Europe! They had a beautiful trip but are glad to be back home!

and aren't you glad that you get to be a part of it?

I can remember the first time I interviewed DONNY. He was going to be 12 in 6 days, he was a little more shy than he is now, and of course, shorter! His hair wasn't quite so long and he really was too young to know what he looked for in a girl! But today—well, just look for yourself. DONNY's growing up in a very wonderful way!

Speaking of the OSMONDS (well, DONNY is one!) they had a really great Christmas at home in Utah! The whole OSMOND clan was there and I wish I had been—don't you? By the

You probably already know that The foundation was just established recently for 3 reasons: 1) to help in the education of deaf and blind children 2) to help fight alcoholism and 3) to spread Christianity. Your contribution will be appreciated by the OSMOND family more than anything you could buy—or, maybe you'd like to help in some other way, perhaps by doing volunteer work through the mail! It's a beautiful idea isn't it? And, it would take someone as wonderful as the OSMOND family to think of it! So! Osmond Foundation, P.O. Box 1155, Provo, Utah, 84601 is the place to mail con-
