

Spec-Tickles

Even in the best of families there's unspoken rivalry afoot and it is sometimes exhibited in good-natured kidding. Let's take a trip behind the expressions of David "Keith Partridge" Cassidy and Danny "Danny Partridge" Bonaduce and give a listen to what is often left unsaid.

what's put in front of you.

Oh, I can't
bear to look
at him when
he gets that
"STAR" look
on his face.
