

OH NO (NO WAY)

You are my morning sunshine,
You keep my mind from sleepin' all day,
Baby,
Thank you for the love you gave me—
That was all it took to save me!
The cloud my life was under,
Brought only rain and thunder my way,
Baby,
Darkness was the room I once knew,
But that was long before I met you.

(CHORUS)

Oh, no, no, no, no, no, no,
There's no way,
Oh, no, no, no, no, no, no,
There's no way!

How could I ever leave her?
She made a true believer of me, Baby,
I can hardly wait till night time,
Any time with you's the right time!

(REPEAT CHORUS)

Somebody said that I might lose my head
if I touched you—
So I tried it!
And now I find you're still on my mind,
Can't resist you—I can't hide it!
I can't hide it, I can't hide it, hide it!

Side Two

SONG FOR A RAINY DAY

It's sad to say it,
But I think love's gonna end,
Once we were lovers,
And now we're not even friends!

(CHORUS)

It was good to have you near me for
a while,
We made each other happy, we made
each other smile.
I heard that the worst part is the knowing,
That my castle in the sky fell apart—
And it's too late to build it up,
And it's too late to try!
You took every dream I planned on,
Every dream that tried to stay.
Seems I always think about you most of
all—
On a rainy day!
Just hold me one more time,
So I can close my eyes rememberin'
how you feel—
Before we say goodbye!

SOFT AS A SUMMER SHOWER

(FIRST VERSE)

I've waited all my life for you,
You're the love I was destined to,
The good friend that I never knew—
until you.
I felt like I might fall apart,
Until you took me into your heart.
Then I knew, right from the start,
We'd get on just fine,
And you came just in time!

(CHORUS)

Soft as a summer shower,
You fell on my thirsty life,
And in my darkest hour—
You came and you showed me light.

We've loved and we've both been hurt,
But promise me that you won't desert,
Cos this time it's just, just got to
work,
I feel it inside—
Leave your heart open wide!

GO NOW

We've already said, Goodbye,

(CHORUS)

Since you gotta go, girl, you'd
better go now,
Go now, go now, go now—
Before ya' see me cry!
I don't want you to tell me just what
you intend to do now!
Cos how many times do I have to tell
you, darlin',
Now darlin', I'm still in love, still
in love with you now!
We've already said, "So long—"
I don't want to see you go,
But girl, you'd better go now,
go now, go now, go now—
Well, don't ya' even try tellin' me,
That you really want to end this way—
Cos darlin'—darlin',
Can't you see—I want you to stay!
Yeah!

(REPEAT CHORUS)

We've already said, "Goodbye, baby,"
I don't wanna see you go,
But darlin' you'd better go now!

HOW CAN I BE SURE

How can I be sure?
In a world that's constantly changing?
How can I be sure—

Where I stand with you?
Whenever I, whenever I, I'm away from
you,
I want to die—cos you know I wanna stay
with you!
How do I know?—maybe you're trying to
use me,
Flying too high can confuse me,
Touch me but don't take me down!
Whenever I, whenever I, I'm away from
you,
My alibi is tellin' people I don't care
for you.
Maybe I'm just hanging around with my
head up,
Upside down—it's a pity—
I can't seem to find someone who's as
pretty and lovely as you!
How can I be sure?
I really, really, really want to know,
I really, really, really want to know!
How's the weather—whether or not we're
together,
Together we'll see it much better,
I love you, I love you forever!
You know that I can be found!
How can I be sure?
In a world that's constantly changing?
How can I be sure?—where I stand with
you?

SONG OF LOVE

People everywhere seem to think that I
won't survive—one day I'll sink.
Well, I guess I value less what they
think,
Than the song that I sing,
And the hope that it brings!

(CHORUS)

Oh! It's a song, a song of love,
And to me your heart is a choir!
Life is a song and the theme is love—
Give me my share and I'll get by.
I can never seem to achieve,
All that the world tells me I need,
Guess they choose to see the things
that I'm not—
But an ace in the hole, now that much
I've got!

(REPEAT CHORUS)

Life is full of lots of things,
Lots of happenings,
Oh, but they don't mean much without
you.
And I know in the end—if you're my
friend,
I won't get caught with nothing to do.
So I think I'll just stay the same,
Taking what comes and laugh at the
rain.
And you know I just might make it
through—
As long as we keep what's between me
and you.
