

"SHARE SOMETHING SPECIAL WITH A GUY YOU LOVE"

THE OSMONDS were fascinated by this special candle made for them by **Lisa Lancaster**, 12, of Hattiesburg, Miss. She used a picture out of **TIGER BEAT!** The boys are sending her a special surprise gift that they bought just for her! By the way, if you want to make a candle like this yourself, here are the easy directions: Buy a candle (any size you want) and one jar each of **Decal-It** and **Protect-It** (available in hobby shops and department stores). Cut out picture you want and paint four coats of **Decal-It** on front side, letting dry 15 minutes between coats. Leave overnight.

Soak picture in water about four hours or longer, then place face down on smooth surface. Gently rub backside with a piece of nylon net. All the paper comes off and leaves a thin, clear sheet with the picture on it!

Rub on a coat of **Decal-It** and apply picture to candle. Rub out all wrinkles. Let dry about six hours.

Rub on a coat of **Protect-It** and let dry completely. As the candle is used, the pictures light up! You can even fill the center up with wax again (be sure to add a new wick, too).

Here are the four winners from last month's "The Guy I Love" feature!
