

a guard. "You're not on the list" he said and proceeded to throw him on the ground and stand on him! Not too nice!... Did you know MICKY nice!... Did you know MICKEY DOLENZ (aside from being a great singer and one of your faves!) is a great tennis player, too? He's been in several tennis tournaments... MAC DAVIS is into sports, too; his favorite is golf, and he's been in several pro tournaments as well. Handsome MAC's latest single is

**THE BEEGEES** pulled in lots of eager music lovers during their recent American tour! See them?

"Your Side Of The Bed," from his fourth album on Columbia, "Mac Davis." Great!... Like antiques?? So does DAVID CASSIDY! If you haunt enough antique shops, you just might see him rummaging through the junk to find that one "right" thing for his house (he's still putting the finishing touches on his redecorating!)... DON McLEAN has just finished a tour of Tokyo, as have THE SUPREMES and ANDY WILLIAMS (nephews Andy and David went along!)... THE FIFTH DIMENSION must really be tired out! We were looking at their schedule for their recent tour through Romania, Turkey, Poland and Czechoslovakia, and it wore us out just reading it! When they weren't actually performing, each member of the group had something different

**DARLING LITTLE** Ricky Wilde has had a tremendous mail response in TB, so you'll be seeing him a lot!

to do—visit a children's hospital, a high school, speak at a charity function, model clothes, do an interview... whew!!... MELANIE is back from "the islands," where she vacationed before having her new baby... BARBRA STREISAND is on vacation, too—a 6 months' vacation! No interviews, no movies, no recording. Can't wait to have her back, though... DAVID BOWIE's being considered for the part of Michael Valentine Smith in a film version of "Stranger From A Strange Land." He'd be a great choice, and it isn't hard to grok why they'd think of him ("grok" is Martian, you know, for "understand"!)... If you think

**HAVE AN ALBUM TITLE** lying around? The Raspberries need one for their 3rd LP. What do you say?

you heard DAVID CASSIDY's voice on the radio, talking about the Special Olympics for Retarded Children, you weren't just hearing things! DAVID's the youth chairman for the campaign and is very dedicated to helping retarded kids... There are still the ever-present rumors that THE BEATLES will once again become THE BEATLES, even though RINGO, GEORGE, PAUL and JOHN keep denying it. "We're all doing ok on our own," says RINGO... As we go to press, TERRY KNIGHT's new group FAITH is still a mystery! The group consists of five members, but up 'till now, they're all sworn to secrecy as to their identity. They're all very well known in the music field, but so far nobody's talking... GOLDEN TONES... NEIL DIAMOND's "Hot August Night" album has sold over 1.5 million dollars' worth!... DAWN's "Tie A Yellow Ribbon Round The Ole Oak Tree" has sold over a million copies, too... 'Bye until next month... hope you have a super summer!
