

# movie makers

**BURT REYNOLDS** gives the nod to astrology for his current success. You see, **BURT**'s an Aquarius and this is definitely the age of Aquarius. . . . **JAN-MICHAEL VINCENT** can't live without his blender. He's a health food nut and loves to mix all kinds of exotic juices together. . . . When critics question **RAQUEL WELCH** about how she changed from an ordinary looking girl into a sex goddess, **RAQUEL** just smiles and says, "Lots of sleep and exercise." . . . **JANE FONDA** expects a baby in September. . . . **EDWARD ALBERT JR.** of "Butterflies Are Free" can't seem to stay off of motorcycles or on them either. He suffered a severe spill recently and now the producers of his films have made the star promise to stay off of bikes when he's involved in the production of a movie. . . . **DIANA ROSS** is drinking three milkshakes a day trying to put on weight. Lucky girl. . . . **BEN MURPHY** is wanted in Europe for a bunch of movie parts. He's very big on "Alias Smith and Jones" which is shown over there. . . . **JULIE ANDREWS** is very popular again due to the release of "Sound of Music." **ANGELA CARTWRIGHT** who played a little girl in the film is all grown up now and doing TV commercials. She also played **DANNY THOMAS'** TV daughter for years. . . . **GOLDIE HAWN** is starting to get a lot of criticism for the way she dresses in public. C'mon **GOLDIE**, why not spend some of your millions on some decent looking clothes. You're too cute a girl to look sloppy. . . . **JOANNE WOODWARD** once admitted she made the dress she wore to the Academy Awards and the town's biggest stars tore into her in the worst way for not upholding Hollywood's glamour image. **JOANNE** just laughed and sat back down at her sewing machine. . . . **ROBERT REDFORD** filed suit against a lady fan who has been harrasing him for several years. Seems the fan thinks **ROBERT** should marry her, but **MR. REDFORD** is already married and he says it's for good. . . . Odds are around town that **STEVE McQUEEN** and **ALI MacGRAW** will not marry after all. Seems **ALI** has a tendency to pick the wrong man. . . . **BARBRA STREISAND** can't find another musical to do so she may film a sequel to "Funny Girl" which will be about the later years in Fanny Brice's life. . . . **LUCILLE BALL** now wants to have **DESI** and **LIZA** marry in Beverly Hills. The young couple is still looking out for a marriage south of the border. . . . **MARLON BRANDO**'s ex-wife **ANNA KASHI** is suing him to regain custody of their son. She claims **BRANDO** made a dirty movie and therefore should not be allowed to keep the boy. . . . There are rumors around that **DAVID CASSIDY** has finally signed for a movie role. When **DAVID** returns to Hollywood we'll ask him personally whether this is true or not. . . . **DORIS DAY** has quit her TV show for next year and plans to return to the big screen. But she wants a role that doesn't present her as a silly-romantic. She wants to do something really serious. . . . **CHER** wants to make a movie with **PAUL NEWMAN**. Who doesn't? . . . **LIZ TAYLOR** has lost 18 pounds. . . . **JOEY HEATHERTON** is suing Playboy magazine

for running some photos of her without her permission. Furthermore, **JOEY** insists that they degraded her acting ability in print. . . . **HAYLEY MILLS** gave birth to a little boy and admits she wouldn't mind if he grows up to be an actor. After all, **HAYLEY**'s famous father is **JOHN MILLS**. . . . Ever notice how much **MARK SPITZ** resembles **OMAR SHARIF**? . . . **OLIVIA HUSSEY** is set for the remake of "Camille" in which she portrays a girl who dies of consumption. Since the birth of her baby **OLIVIA** looks so healthy, the makeup man on the film is going to have to do a great job to make her look sickly. . . .
