

A & D loved visiting in London!

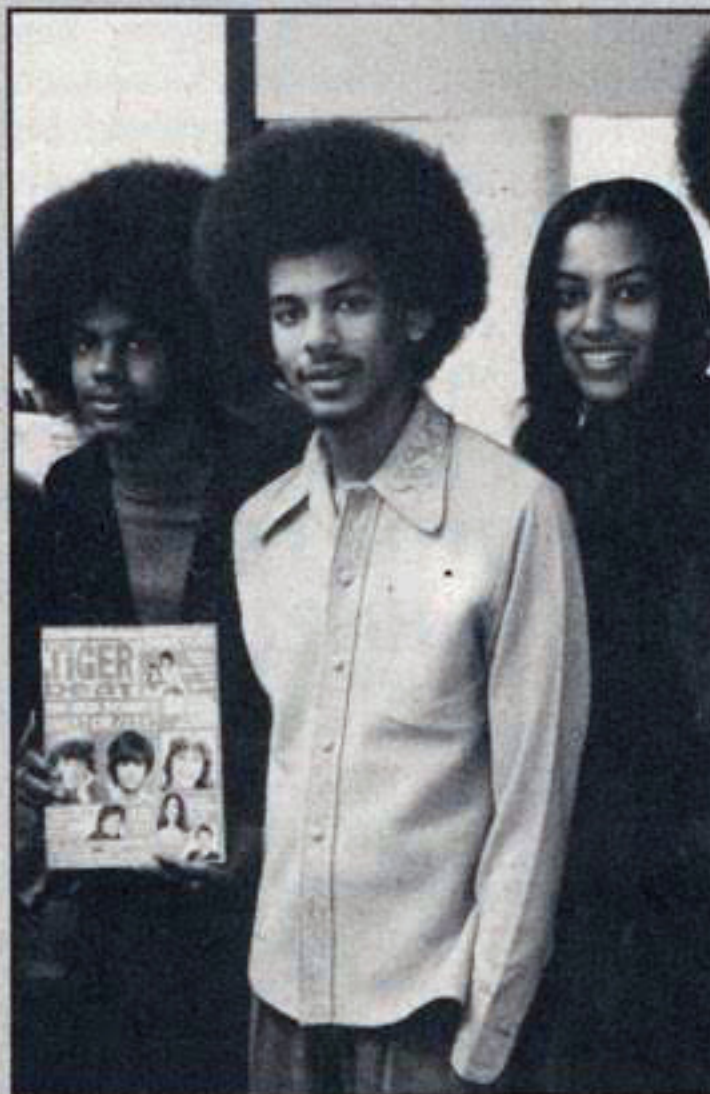

was just released there. It's been out here a while, though, and we're sure you have a copy of it already! ... EDWARD BEAR's newest single is "Close Your Eyes." It's as big a hit as "Last Song" was! ... And speaking of hits, JERMAINE JACKSON's version of the old hit "Daddy's Home" really made it to the top! The JACKSON FIVE have been doing concerts in the Northwest and plan to do more, as well as more recording real soon ... THE OSMONDS are back in the studio, too, and will be releasing a new album and a new single before you can say "terrific!" ... THE NEW SEEKERS have been touring with ENGLEBERT HUMPERDINCK and will be at the Riviera Hotel in

BUSY NEW SEEKERS have a new album out with their hits—buy it!!

Las Vegas this month and The Sahara Tahoe next month. They've got an album of all their hits ("I'd Like To Teach The World To Sing" and "Never Ending Song of Love" included!) on Elektra—if you're a New Seekers fan (and who isn't!?), this is the album to have! ... What would you take with you if you knew you were going to be strand-

ed on a desert island? Know what RICK SPRINGFIELD said (we told him he could only take three things)?? He said "my favorite girl, my guitar, and a doggie" (!) He said he'd really like to take all his fans with him, too, 'cause they mean so much to him! And who wouldn't want to be stranded with Rick! ... Ever have trouble getting a reservation in a hotel?? Well, believe it or not, THE OSMONDS have had that trouble lately! When Donny, Alan and their father were in London recently so Donny could do "Top of the Pops," several hotels would not accommodate them. They finally found one, but it was kept strictly secret so no fans would find out. Guess the hotels just aren't equipped for that kind of excitement! ... DAVID CASSIDY's taken to not even staying in hotels when he's in Europe—too many of his fans get hurt and he's concerned for them, so he hides out in the countryside when he makes the trip! ... Have you seen ELTON JOHN's new look? Red hair with silver tips! ... GOLDEN TONES ... ELVIS PRESLEY's "Aloha From Hawaii" album has sold over a million copies and has received a gold record. His was the first quadrasonic (4-channel sound, as opposed to stereo, which is 2-channel) album to receive a gold record. Elvis now has 55 gold singles and 17 gold albums! Whew! ... Till next month!

DO THE Sylvers read Tiger Beat? Here are 3 of them to prove it—yea!
