

tel probably heard it!

I stood there for a moment unable to move, just staring at him. He looked so handsome in his brown flowered shirt and Levi pants. He started walking in my direction and when he looked at me with those dreamy eyes of his and said "Hi," I almost fell over!

### NICEST PERSON

I asked him if we could get autographs and take some pictures with him and you know what he said? "Anything for my fans." I couldn't believe it. Everything was just so wonderful. He talked with us for a while and answered all the questions we asked him. I couldn't get over it. He was the nicest person I've ever met!

While we were talking, Kim Carnes, Sam Hyman and a couple of David's other friends came and joined in. David introduced us to all of them and they were so nice and friendly. I knew this beautiful moment couldn't last forever and then I heard David say he had to be going. We didn't put up a fuss because he had been so kind and patient with us, what more could we do to show our thanks?

Before David left I took off my favorite ring and placed it in his hand. I can't describe in words how I felt when his fingers gently brushed mine and he softly said, "Thanks so much."

I watched with tears in my eyes as David walked out of view. None of us said a word to each other. We just stood there lost in the beautiful moment that would remain a treasured memory for the rest of our days.

I'll never forget that day as long as I live. It truly was a dream come true!
