

spend more time in Utah at their ranch house this year. As DONNY put it, "Utah is really our home and we all love it there! We've always wanted to remodel the house—make it into our dreamhouse, and now we can! So, we'll be spending more time there now!" The OSMONDS are all excited about it because it gives them more of a chance to have fun! They can swim, fish, hike, go horseback riding, ski, and

fill out the questionnaire on page 102 and mail it to me, OK? And don't forget. If you've got more comments you'd like to make about the fashion, or the new Tiger Beat in general, I'd love hearing from you. Why not include a quick note with your questionnaire? Next month we've got some more groovy clothes to show you and our special model will be MAUREEN McCORMICK! Wow!

do lots of things Hollywood doesn't allow you to!

But don't worry! DONNY says that when the family's in Utah he'll call us every couple of days to keep us well informed on what's happening!

Getting back to the OSMONDS, how did you like our fashion section this month? Doesn't MARIE look perfectly beautiful? And those outfits she wore, did you like them? DONNY sure did! "I've never seen my sister so dressed up," he declared!

I'd really love to know what you think about our fashion features in Tiger Beat each month, so be sure to

I had a chance to visit them on the set of B & B last week and they were so sweet! They love doing the show together and have lots of fun when they date though they've decided they're really just good friends. I don't know about that! Lots of good friends end up married and I couldn't think of a cuter couple, could you?

Speaking of couples, I'd really like to know how you felt about BOBBY SHERMAN's secret marriage. Of course, since he was protecting PATTI I can understand because she did have a miscarriage last year. Still, I can't help but feel a little sad that I wasn't in on the happy marriage plans!

BOBBY's manager WARD SYLVESTER had a super open house for BOBBY to introduce "close friends" to PATTI and their new baby and I was
