ELEVENTH ANNUAL GOLD STAR AWARDS

1972

SOUND the trumpets, beat the drums, let the flags unfurl! Once again, **SPEC** (and **16 Magazine**) presents its annual **Gold Star Awards** for popularity and outstanding achievements to young stars in television, movies and on records—and proudly singles out the two most popular performers of 1972 for the **Golden Galaxy Awards!**

As always, the winners of these awards for popularity and extraordinary performances during the year 1972—from January 1, 1972 through December 31, 1972—were chosen by **SPEC** and **16** readers. They were chosen by

you in the millions of ballots and letters you mailed to **SPEC** and **16** throughout the whole year of 1972. You told us who your favorite young stars were in 1972—and we tabulated each and every vote!

To each and every winner of the **Eleventh Annual Gold Star Awards**, **Spec** and **16** speak for all of us in saying, "Congratulations and best wishes for a long and **SPEC-tacular** career!"
