Bobby Sherman will star in his very own ABC-TV special in late April or early May. It is a musical comedy co-starring **Jill St. John** and **Zero Mostel** and called *Old Faithful*. **Bobby's** spec will be filmed at Yellowstone National Park, and in it he will play himself—a famous television and recording star! . . . Meanwhile, across the briny, **David Cassidy** has already started filming segments of himself in action in Holland, England and elsewhere for his forthcoming TV special. More later!

Handsome **Chad Everett** stopped his "Doctor Joe Gannon" chores on the *Medical Center* set in Hollywood long enough to meet and greet adorable **Cynthia Lewis** of Houston, Texas. Cynthia won Hal Jackson's *Miss Black Teenage America Pageant* and *U.S. Teen Revue*. She also won a part in a scene on CBS's popular *Medical Center* series! And if you think you saw a familiar face on that commercial for credit unions—well, it was **Chad**! . . . And **Chad** isn't the only popular star doing commercials these days. Hope ya' caught **Andy** and **David Williams** on their syndicated commercial for K-tel's *Oldie Goldie LPs*. Also, **Micky Dolenz** has been doing a series of commercials for albums of oldies hits of the 60's.

Take a peek at this nifty pic of adorable **Danny Bonaduce** singing his little

heart out. 'Twas taken when **Danny** was recording his MGM hit single record *Dreamland*. Go to your nearest record store—and demand a copy! . . . Look for great big beautiful **Ben Murphy** to start popping up on your local movie screen one of these days. Now that he's been "released" from *Alias Smith and Jones*, it's inevitable that **Ben** should star in a full-length motion picture . . . Sweet 'n Swoony **Sean Kelly** is a rising star that you oughta be seeing more often in the movies and on TV. T'wixt time you can write to **Sean** at Glenn Shaw Agency, 8440 West Sunset Blvd., Los Angeles, Calif.

And don'tcha dare forget **Erik Estrada**! You saw him in *Cross And The Switchblade* and *The New Centurions*—and in a recent guest stint on *Hawaii Five-O*. You can write to **Erik** at K-L-R, 853 Seventh Avenue, New York, New York. . . . Speaking of specials, **The New Seekers** were special guests in Washington D.C. of none other than President Nixon during Inaugural Week. Among the events they attended there were the Vice Presidential Inaugural Reception, where they sang their hits, including their most recent one *Come Softly To Me* . . .

Classical music lovers who live in or near Buffalo, New York, New York City or Washington D.C. should watch their local concert listings for any conduct-

ing appearances of the exciting young conductor, **Michael Tilson Thomas**. For instance, **Michael** will be conducting the Buffalo Philharmonic Orchestra on March 11th, 12th, 13th, 26th and on April 1st, 3rd, 8th, and 10th. He'll be conducting *Carmen* at the Metropolitan in New York City on March 10th, 15th, 31st, and concerts in the Lincoln Center Chamber on March 18th, 19th, and 20th. **Michael** will also do a concert at the JFK Center for the Performing Arts in Washington D.C. on March 21st.

And last but certainly not least, keep watching for magnificent **Michael Ontkean** to pop up in some other role besides that of "Willie Gillis" on *The Rookies*. Before his *Rookies* days, **Michael** starred in special movies and guested on top TV shows (like *The PF*) so itza for-sure that as soon as **Michael** gets a spare moment, he will be popping up again in motion pictures and on other telly shows.

SPICY STUFF: What fast-rising young TV star is "sorta" keeping his marriage a secret in case he decides to get divorced??? . . . T'ain't true that **Rick Springfield** has had a romance with **Liza Minnelli**—also, t'aint true that he is secretly married! **Rick** is very much a bachelor and very much available!
