MISSION MAGIC: This is Rick Springfield's very first TV show! It's a Saturday morning cartoon show with his voice!

TEMPERATURES RISING: A new look for an old show! Paul Lynde joins cast on Tuesday evenings at 8:00! Cleve Little stars! Watch it!

THE ODD COUPLE: Funny Felix Unger and friend Oscar Madison (Tony Randall & Jack Klugman) are back again on Friday! Then comes "Room 222" followed by a great new show, "ADAM'S RIB"—a show you'll really love! It's about a young couple!

KUNG FU: Definitely one of our very favorite shows! It stars darling Radames Pera as "Young Caine" & handsome David Carridine as hero "Caine." The show stays in it's same time on Thurs. nights! Watch "TOMA" before!

BRADY BUNCH: Our favorite Friday night TV family is back—same night and time. The Brady Kids might add a little singing to the show!

THE ROOKIES: Back for another season are our friends Mike Ontkian, Georg Sanford Brown and Sam Melville every Monday night!

PARTRIDGE FAMILY: Now on Sat. nights at 8:00, the PF have brand new look or two! Little Ricky Segall has been added to the cast as a singing next-door-neighbor. Dave Madden gets a nephew—18 yr. old Alan Bur-sky! David's back for the season, thanks to YOU!

ROOM 222: Lloyd Haynes and the other regulars are all back again, following "The Odd Couple" on Fridays! Then comes "Adam's Rib" and another favorite, "Love American Style." A great new season!
