## SUPER-OS COMPLIMENTS

I really liked reading the tale of Super-Os.

I read that story in June TEEN WORLD about Super-Os ("Donny's Day of Decision") and I thought it was super-cool.

## PEN PALS ANYONE?

Would it be possible for me to put a small ad about my pen pal in TEEN WORLD? I'm just asking for an 8¢ stamp (for foreigners, first class postage) and I'll find you a pen pal. I've enjoyed writing to pen pals for almost ten years and I love helping other people find the type of people they want to write to. I want to make this pen pal club a great success! If anyone is interested they should write to: Gwen Salsig, P.O. Box 1394, Lakeview, Oregon 97630.

I'm 18 and I never miss an issue of TEEN WORLD. Some people say you only write about the Osmonds, David and the Bradys but I don't care because I'll never get tired of reading about them! I am a Bahamian and I would like to have a pen pal from New York. You see, I'll be coming to New York in October and it'll be more fun if I know somebody there. I'd like any girls from 17-20 to write to me at: P.O. Box N 35 26, Nassau, N.P., Bahamas.

## A WOMAN FOR MEN'S LIB

I may be a girl but that doesn't stop me from feeling that boys have rights too. I like some of the points of Women's Lib but some things those stupid broads want are ridiculous. This magazine has readers of both sexes so get stuff in this magazine for

boys, too! They get tired of reading stuff that is just meant for girls. Get in with something that'll thrill your male readers!

## A SPITZ SPUTTER

I would like you to have more articles about Mark Spitz in the book. He is better than all the people you write about.

## SENSATIONAL SUSAN

You probably think I'm a fag for reading your book, but I'm not! I just dig Susan Dey and you don't have enough on her in the book. I loved that last article on her—"No Guy Can Resist You If..."—and I thought that was really good. Please have more of her and less of those fags, the Osmonds. Please don't print my whole name, just my initials.

## BLUE FOR BOBBY

I just read a story in TEEN WORLD titled "Our Last Bobby Sherman Story Unless..." and you said you wanted our opinions on whether or not we should keep Bobby in the book. Well, as far as I'm concerned, he should be in the book. If he decides that he *doesn't* want to be in the book then he should tell us that himself. Otherwise, if you don't keep writing about him he will think that his fans have turned against him just because he's a husband and father. Bobby will be my fave as long as I live and I'm blue when I don't see him in the book.

## ECSTASY OVER EVE

I wish you'd put more in about Eve Plumb. In the August issue you had nothing about her at all! Everything is Maureen, Maureen, Maureen! They're both on the same TV show and I don't think one deserves more attention than the other.

Even though I like Maureen, I think Eve Plumb is fantastic and deserves *equal* space in TEEN WORLD.

## WILLIAMS TWINS HATER

I do not like Andy and David Williams. They are fems! I wouldn't be surprised if they wore dresses sometimes! My friends and I feel that you should keep them out of the magazine. For the sake of making TEEN WORLD better, drop those duds already!

## SYLVERS SPARKLE IN HER EYE

Your magazine is fantastic but I wish you'd put color pin-ups in it. Another thing I wish I'd see in the book is a picture of Edmund Sylvers. The Sylvers are a great group and I met them in California. They were at the Soul Caravan and they were so cute. They will always be my favorite group, especially one of them—Edmund Sylvers!

## THE OSMOND MEANIES

Why does everyone say nasty things about the Osmonds? All they want to do is just keep their fans happy. They love you so why can't you love them? I love them and so do many other loyal people! Please, if you can't write in and say something nice about a star, just don't write at all. No matter what you do, the Osmonds will love their fans forever.
