

We tell you!

WANTING CHRIS

I would like more stories and pin-ups of Chris Knight. I love Chris Knight so much. In one of your books (the August issue) it said, "Spend the night with me" (Chris Knight). Boy, would I love to! So, please put more stories and posters of Chris Knight.

Carol Humphries
Covington, Va.

Dear Carol:

We're glad that you really dig Chris. We've got a real treat for you in this issue. First turn to page 22 for a Chris Exclusive: "Chris: Lover or Love-Shy?" Then turn to page 42 for a story on Chris and his fellow Brady Bunchers. Hope ya enjoy them.

ANOTHER RUMOR

I read that Susan Dey was leaving "The Partridge Family." Is Susan really leaving?

Josie George
Terre Haute, Ind.

Dear Josie:

There is absolutely no truth to the rumor that Susan is leaving the show. She'll be on the show as long as the show is on the air.

DARLING DONNY

I'd like to know all about Donny. His age and that kind of stuff. I think Donny is the greatest singer in the world! Also, what kind of girls does he like? Does he ever date? Thank you.

Christine Richardson
Warren, Mich.

Dear Christine:

Donny will be sweet 16 on Dec 9th. So far, he hasn't had a date. As for kinds of girls he likes, flip to page 10 right now and take the "Donny Right Girl Love Test." You might be the right girl for him.

DAVID C. & MICHAEL G.

In a magazine I was reading it said that David Cassidy is being squeezed out by Michael Gray. Well, I hope not because David is the greatest. Furthermore, I don't think Michael Gray can squeeze anybody out. I think David Cassidy is everything that

Michael Gray isn't.

An I-love-David Fan
Dartmouth, Canada

Dear David Fan:

We think there's room in our magazine for both David and Michael. They're both kinds special in their own ways, don't you think? For a super-tremendous story on how to turn David on, you can turn to page 16.

MORE MAUREEN AND MARIE

Please tell me how old Maureen McCormick is and what kind of boys she likes. I like Maureen. I have 300 pin-ups of her! I get TEEN WORLD every month. I've been reading it for the last three years. I would also appreciate it if you would put the age of Marie Osmond and what kind of boys she likes and more pin-ups.

Larry Hernandez
Fitwater, Calif.

Dear Larry:

Maureen will be 17 on August 5th. She likes all types of boys. For a Maureen story, turn to page 30. Marie will be 14 on October 13th. For a marvy Marie pin-up, flip to page 39. As for the kind of boys she likes, she has eight super brothers who treat her like a princess.

AN "EMERGENCY"

I would like to know where I can write to Randolph Mantooth. I would like to know when his birthday is and if he is married. I am a real big fan of his and I really like the show "Emergency" that he's in. I never miss one show of it.

Karen Horn
New Milford, N.U.J.

Dear Karen:

Randy's birthdate is September 19th. He's still a bachelor. You can write to him at NBC, 3000 West Alameda Ave., Burbank, Calif. 91505. Be sure to address the envelope to Randy and the name of the show.

DONNY DILEMMA

My mother told me Donny doesn't get

any of my letters. Last week I wrote to him and I didn't get any of his letters. I know that Donny has two brothers working at the fan club. Is it true what my mother said. I'm dying to get one of his letters. I sent him a birthday card and one to Jimmy. I guess that they did not get them yet.

Danielle Battisto
Bronx, N.Y.

Dear Danielle:

You have to realize that Donny's an extremely busy guy. He'd like to answer as many letters as he can personally but he's always on the go doing concerts, recordings, TV shows and interviews. He appreciates your writing him but there's just not enough time in the day for Donny -to do everything he'd like to do.

MORE OF ALICE

If at all possible could you please put in more pictures and articles of Alice Cooper. We really enjoy the way Alice is different from other people—the way his favorite color is black and having a pet snake, Evon. There is one song we really like, that is "Dead Babies." Parents don't like him because of his long hair and make-up. They should overlook his appearance even though we teen-agers like the way he looks and find out what a sincere guy he really is.

Cindy Gare
Cathy Hagen

Dear Cindy and Cathy:

We print what the majority of our readers want to see. So far, we have received one letter for Alice Cooper—yours. Also, how can people overlook his appearance when his appearance has made him what he is?
