

ent! Ricky loves baseball (and he's very good!) and, of course, watching "Partridge Family" is tops on his list!

### CHANGING ROLE?

But Ricky's not the only new face on "PF" this fall... another will be 18-year-old Alan Bursky! He's a comedian, and he'll be playing the part of Dave Madden's nephew.

But neither of these guys will be David's "replacement!" We agree with you David could never truly be replaced, and evidently the producers of the show are slowly agreeing with all of us! They're having so much trouble making up their minds, we may not see a third new face for at least half the season!

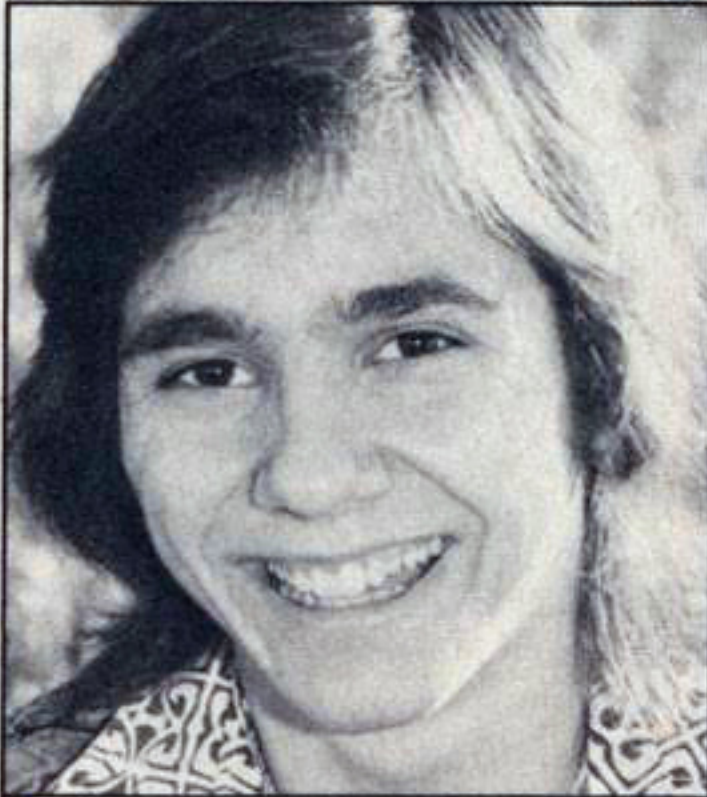

What do you think the producers of "Partridge Family" should do? Maybe they'll make Ricky an orphan, to be adopted by Shirley and the rest of the Partridges! Or maybe Susan and Alan will be a new duo on the show. Maybe David shouldn't be replaced at all... Will Shirley get married this season? How will David be written out of the series? Will he go to college mid-season and leave only four Partridge kids at home?

The producers themselves don't know which road they should take,

so maybe you can help them decide!

### OPINION, PLEASE!

Why not write to us, to David and the rest of the Partridge Family and tell us what you think should happen on the show! Send your letter to Partridge Program, Tiger Beat Magazine, 7060 Hollywood Blvd., #800, Hollywood, Calif. 90028. Tell us what you think of Ricky, too (we think he's absolutely adorable!). You never know—you might see your ideas come to life, right on your TV screen!

ALAN BURSKY, 18, will be Dave Madden's nephew—he's a comedian!

DAVID TOLD us: "The Partridge show was a job I was hired to do, just like any actor is hired. But I had a great time and I know Ricky and Alan will!"

## A NEW YEAR, A NEW YOU

The start of another school year—and you seem somehow more mature. More poised and confident.

Now's a good time to try Tampax tampons, the internal sanitary protection that more and more girls are trying and using. Right from the start you'll find them comfortable and discreet to use, easy to dispose of, easy to insert and remove. Especially our exclusive Junior absorbency-size, made just for beginners.

You'll probably develop a more mature outlook on a lot of things this year. And Tampax tampons' dependable protection is just one of them.

But a very important one for the girl who's growing up.

The internal protection more women trust
