

LOTS OF PEOPLE turned out to see the handicapped children compete for prizes at the Special Olympics. David shook hands with some of the contestants and wished them luck! The opening ceremonies were very formal, complete with a lighting of the torch, the National Anthem and the Pledge of Allegiance! David says it was a "beautiful experience."

OTHER CELEBRITIES on hand for the games were Rosie Grier (above center), The Magic Mountain Characters, Olympic Star Rafer Johnson, (below left) Disney Friends, George Peppard and others including Carroll O'Conner!
