READ ALL ABOUT IT—The place you'll find the answers to all those rumors!

DeFRANCOS

DeFRANCOS' SECOND ALBUM SOARS UP THE CHART!

Top of the Charts, U.S.A.: It's true that the fabulous DeFranco's have another hit album on its way to the top. "Save the Last Dance for Me" is receiving a tremendous amount of attention and will probably turn to gold. Ever hear of the Midas touch?

GARY, ALICE & GROUCHO

GARY GLITTER OUTGLITTERS TINSELTOWN!

Beverly Hills Hotel: English pop star Garry Glitter gave Tinseltown a taste of the old Hollywood at a party thrown for the singer by Bell Records. The highlight of the evening came when

Groucho Marx appeared with Alice Cooper and the crowd really went bananas! Wouldn't you?

DAVID CASSIDY FOLLOWS IN ELTON JOHN'S FOOTSTEPS!

Australia, New Zealand, England: It's positively the truth. David has an entirely different concert for his European fans. He wears glitter clothes and confetti abounds which reminds us of Elton's fantastic concerts. We guess David feels that European audiences are more into glitter rock than we Americans. Let us know what you think about that.

DAVID

BARRY

BRADY BUNCH CANCELED: BARRY WILLIAMS GOES SOLO!

Knott's Berry Farm, California: It's absolutely true—we've been predicting that the series would be canceled and the Brady kids would go their separate ways and it's happened. We caught Barry's new single act at Knott's Berry Farm and he's terrific. We're looking forward to seeing some of the other bunch on their own.

ALAN

KAREN

ALAN OSMOND AND KAREN CARPENTER ENGAGED!

Los Angeles: No, this rumor is false although it has been circulating ever since someone saw Alan and Karen out together. The famous twosome do see each other occasionally, but marriage? She's not Mormon.

HEYWOODS

HEYWOODS HIT BOUND!

Everywhere, U.S.A.: There's no doubt about it—the Heywoods are extremely excited about their ABC Dunhill release, "Billy, Don't Be A Hero." It's been receiving air play all over the country and is a super hit. They can only thank their devoted fans for giving this song such a great boost!
