

DAVID CASSIDY

LOVE NAME: Because he would always call you "Beautiful" in that special way of his, David would always make you feel that way!

LOVE GAME: David's love games would be real games! He'd let you win at gin rummy or Monopoly, but watch out when you're playing hide 'n' seek!

LOVE FLAME: David could send chills up and down your spine without even touching you! The sweetly serious expression in his eyes when he'd look at you is all it takes!

RADAMES PERA

LOVE NAME: Radames has a pet name for you, and you're both keeping it a secret from everyone else!

LOVE GAME: Radames would write you love letters all the time—in Russian. You'd love to have them translated to find out what's on his mind.

LOVE FLAME: When he folds you into his arms you'd feel so safe and happy that you'll want to stay there forever!

**ANDY ↑ WILLIAMS**

LOVE NAME: Andy would probably call you "Sugar" because that's how sweet he thinks you are.

LOVE GAME: He'll try to get you confused all the time by having David call you, just to see if you really can tell them apart. You always know the difference, but you play right along.

LOVE FLAME: Andy doesn't know that you think his shiny, blond hair is just beautiful. You love to have him rest his head on your shoulder.

MICHAEL GRAY

LOVE NAME: With that fabulous accent of his, Michael would call you "Love," and you'd know he meant every letter of the name!

LOVE GAME: Michael would send you little cartoon strips he did himself—they even might have a message of love or an invitation in the story—you have to read carefully!

LOVE FLAME: The feel of Michael's strength and gentleness when he'd take your hand in his makes this

simple gesture more thrilling than you ever imagined it could be!

**JAY OSMOND ↑**

LOVE NAME: Just the way Jay would call you "Sweetheart" makes his name for you something original and very precious, no matter how many lovers have used it before!

LOVE GAME: Jay's love games would really be fun—pillow fights, tackle, or kissing games—anything goes.

LOVE FLAME: The warm and tender hug Jay would always greet you with makes you want to sing with happiness, because you'd know that Jay is not the kind of guy who is casual about showing his affection!

**DAVID ↑ WILLIAMS**

LOVE NAME: You and David would call each other by your middle names!

LOVE GAME: David would make up a secret friend for the two of you, like Tammy Tarantula, and you'd create adventures for him together, to everyone else's puzzlement.

LOVE FLAME: The sweater that David wore on your first date will always bring back memories of that special time, and when David wears it, your heart's aglow.
