the designer, make plane reservations, pack and get to the airport all before the sun came up! Whew! What a life! Being a star sure means losing a lot of sleep, don't you think?

ANDY and **DAVID** dropped in to see me to say goodbye! They were off to England to do some shows, and also to Ireland! When they got back the end of June they were all set to begin work on their brand new movie, "The Treasure Chase." It's a super thriller about a kidnap and a hunt for a golden treasure, and **ANDY** and **DAVID** are the number one stars! They went down to Mexico to shoot the picture, and we'll have some pictures of that for you, because naturally Tiger Beat wanted to cover the whole thing—for you!

**TELL THEM ALL YOU
SAW THEIR FASHIONS
IN TIGER BEAT!**

MEET THE McDOUGALE Brothers! Yes, they really are brothers, and they range in age from 10 to 21! They're working on a record contract now, so be listening for them! Meanwhile, write to them right here at Tiger Beat!

TIGER BEAT THANK YOU BOX

All your favorite loves would **LOVE** to thank you personally for the beautiful and thoughtful gifts you send to them each month in care of Tiger Beat. Since they can't write to each of you personally, they'd like to thank you here in Tiger Beat's thank you box whenever they can!

Donny And The Osmonds

Donny sends his love to Darlene Gordon for the pillow, and Merrill wants to thank Lisa-Lin Burke for the cute bunny! All the Osmonds send their special love for the other gifts and letters.

The DeFranco Family

Lots of love and thanks to: Kimmie Bunn for the beautiful wood plaque and wax heart; Kathy Lewinson for the stuffed bunny; and Lynn Gernier for the DeFranco scrapbook. And to all the others who sent letters and gifts!

Speaking of movies, the **JACKSON FIVE** invited me down to a press conference they gave to announce their new movie! It's called "Isoman Cross and Sons." It stars **RAYMOND ST. JACQUES**, and is all about a black slave family during the 19th Century. **ST. JACQUES** plays the father, and you guessed it, the **JACKSON FIVE** play the sons! They were really super excited about it and couldn't wait to begin.

FLO JENKINS (left), editor of Tiger Beat's sister mag "Right On!" was delighted to meet Emmy-winner **Cecily Tyson** after the awards ceremonies! Cecily won for best actress for her role in "The Biography of Jane Pittman."

And, still speaking of movies, the **OSMONDS** wrote 5 songs for a really terrific picture called "Where the Red Fern Grows." It's a story of a young boy and his dog during the 1930's! The **OSMONDS** did the entire soundtrack, and guess who's singing the songs they wrote? **ANDY WILLIAMS!** The picture had a special premier engagement in April in Salt Lake City and everyone there loved it! Watch for the picture to come to your local theaters! It's rated G so you know it will be good!
