GUY	JUNE	JULY	AUGUST	HOW TO MEET
<p><b>JACKSON FIVE</b></p> 	<p>The Jackson Five do not have a definite schedule so far. Check your local newspaper and listen to your favorite radio station for up-to-the-minute news.</p>  			<p>The best place to meet the Jackson Five is at Motown records on Sunset Boulevard in Hollywood.</p>

<p><b>ERIC DAMAIN</b></p> 	<p>Eric will be working on his second album in the studio in Encino, California: It's an old converted barn off the San Diego Freeway at the Topanga Canyon exit.</p> 	<p>More recording and lots of the beach, in Santa Monica. Eric goes by the refreshment stand at Will Rogers State Beach, by the entrance where you pay for parking. A tentative trip to San Francisco is planned for the end of the month. Eric likes to stay by the wharf!</p>	<p>Back to France for filming on a new musical movie.</p> 	<p>Eric visits at Tiger Beat a lot because his manager lives just down the road. Drop by the offices or watch for Eric and his friend Radames Pera along Hollywood Blvd., especially lunching at the Hamburger Hamlet, down the street from the TB offices.</p>
