

**BOY****JUNE****JULY****AUGUST****HOW TO MEET****DAVID  
CASSIDY**

Since "Partridge" has been cancelled, and David has no immediate plans for recording or touring, he'll probably stay at home in Encino, and take a well-deserved rest.

Same as June except he plans to visit Hawaii.

Hopes to travel to London, but it depends on schedule. Check with Tiger Beat.

In Hollywood the best places to meet David are Western Records on Sunset Blvd., or at Manager Ruth Aarons' office in Beverly Hills.
