THERE'S ALWAYS lots of fun when Andy and David drop by the TB offices! They were so excited about their movie all they could do was talk, talk, talk, so I had to hush them up!

Don't you just love MICHAEL GRAY's television series "Shazam"? He's having so much fun filming it that he wanted you to have a chance to visit the set! That's why he invited me down to get some pictures of everything! Next month we'll take you on the set, but

this month, enter our SHAZAM CONTEST on page 62! MICHAEL doesn't live too far from the Tiger Beat offices so he always drops in when he's not working! Lately he's been working so hard he has to get up at 5:00 a.m. each day! "Shazam" has been shooting on location and the locations seem to be far away, so Michael sometimes has to get up even earlier to get to the shooting by 7:00 a.m.! Hard lives these dedicated actors lead!
