

# CASSIDY'S LAS VEGAS!

**LUCKY MAN** David Cassidy has reason to smile as he stands on the second floor patio overlooking his pool. He's a hit in Vegas, runs a horse-racing business from his office (below right) and practices tunes for his tour on a baby grand (below left). The wrought-iron stair-railing on the entry staircase (left) is backed by Plexiglas to keep the family pooch from falling through
