Would-Be Stars Don't Lack Ambition

Susan Dey, a New York teen-age fashion model, is, at 17, the oldest daughter in *The Partridge Family* on ABC-TV. "I'm very ambitious," she says, "although I still don't know where I am."

David Cassidy, the oldest boy in *The Partridge Family* and the son of Jack Cassidy, seems to sum up the thoughts of most of this exciting new crop of performers when he says, "I want to succeed. But most of all, I want to be respected as a good actor. That will fulfill my ego."
