

**THE PARTRIDGE FAMILY.** "My Son, the Feminist." Cute idea that works well for this series. Keith's (David Cassidy) new girl friend, is a women's lib activist, and she gets the family involved in performing at a rally. Naturally, many problems crop up with amusing results. Fans will be happy to note that The Partridges sing their number one hit song, "I Think I Love You" on the entry. (7:30 p.m. Channel 7).
