I WOKE UP IN LOVE THIS MORNING

TUNE IN

The Partridge Family is getting to be a regular on the top 10 charts as well as on television. The sextet seems to have the magic formula for coming up with hit songs. But then why not? The ingredients are all first rate. Shirley Jones is an Academy Award winner and top-notch musical comedy star. Wes Farrell, the record producer, has a fantastic track record for mixing the right singers and the right songs and, presto, gold records galore. And how could we talk about the Partridge Family without instantly thinking of David Cassidy, who plays Keith Partridge. Everyone knows by now that Cassidy is Shirley Jones' stepson via her marriage to musical star Jack Cassidy. As a result of the TV show, David has rocketed to stardom. This summer he did a US tour playing to standing room only everywhere he went, with the managers of most places pleading to squeeze in a second or third show to satisfy the Cassidy fans who arrived to find the concert was sold out.
