Glen Campbell Show. Glen and his guests, David Cassidy, Dom DeLuise, Little Richard, Buffalo Bill and Howdy Doody, recall the wonders of the '50s tonight. They open fire with a rock medley of such old winners as "Great Balls of Fire" and "Rock Around the Clock." Our host appears as a full grown Howdy Doody, and Dom DeLuise reminisces about the early live TV dramas by reading his lines off props. David Cassidy delivers a medley of his hits and joins Glen for four numbers including "Wake Up Little Susie" and "Bye, Bye Love." 7:30 p.m. (5-10-12)
