

DAVID CASSIDY

Coliseum Reschedules Cassidy

David Cassidy, whose last engagement at the Dane County Coliseum was canceled because of illness, has been rescheduled at the Coliseum on Apr. 6 at 8 p.m.

The young singing star of Television's "The Partridge Family" was booked as an attraction for the Dane County Junior Fair last July, but plans were changed when Cassidy went instead into the hospital for a gall bladder operation.

In "The Partridge Family," Cassidy is lead singer and plays guitar in the family's musical combo. Off-screen, he also plays the drums and he composes both music and lyrics.

Mail orders for tickets are now being received at the Coliseum ticket office. Window and outlet sales will open later.
