

# DAVID CASSIDY

When a musical series starts on television one of the most frequently asked questions is "do they really do their own music or is it done by another group?"

Well the answer to that in the case of David Cassidy of *The Partridge Family* is "he does all of his own music." To his credit, besides several albums with the other six members of the family, Cassidy has a disc currently on the charts.

Cassidy, who stars as Keith Partridge on the popular Friday evening show, has the song "Cherish" in the top ten at the present time.

Being one of the top musical comedy attractions of the family Cassidy goes through a lot. In a recent segment he even lost some of his shoulder length hair as a younger brother auctioned off the locks.

Members of the famous family are: Suzanne Crough, Tracy; Danny Bonaduce, Danny; Brian Forster, Chris; Dave Madden, agent Reuben Kiraaid; Susan Dey, Laurie; Shirley Jones, Shirley; and David Cassidy, Keith.
