**S**TAND BY, all David Cassidy fans! David is Britain-bound next month—and we've got **TEN DOUBLE TICKETS** to give away for his afternoon performance at Wembley's Empire Pool on Saturday, March 17.

We're offering two tickets to each of the ten winners of a fun and free-to-enter competition. They're the best seats in the house—and two of them could be yours!

## Precious

You can enter our competition whether you are young or old—but if you are under 16 you will need permission from a parent or guardian.

This is important because all we are offering are those so-precious tickets. Getting there and back is up to you!

Right—here's what you do:

Look at the six photographs of David Cassidy shown here lettered A to F, and decide which is the most appealing. Then which is the next best. And so

on until you have put them all in order of merit.

For example, if picture C appeals to you most, mark the letter C against first choice on the entry coupon.

Follow it with the picture you consider is next best. And so on until the entry coupon is complete.

Then say, in not more than twelve words in the space provided, why you selected your first-choice picture.

Add your name and address (and see that your parent or guardian signs at the bottom if you are under 16) and post the coupon to: *Daily Mirror David Cassidy Contest, Box 203, London, NW99, to arrive not later than Tuesday, March 6.*

There will be another coupon in tomorrow's Mirror, so you can

have another go if you wish. And you can send the two entries in the same envelope to save postage.

All entries will be examined and the winners will be the ten entrants whose selection of pictures the judges consider to be the best.

## Reasons

In the event of a tie, the prizes will be awarded to the entrants who submit what the judges consider to be the best reasons for choosing the picture they put first.

Employees of IPC Newspapers and members of their families are not eligible to compete. Current Daily Mirror competition rules apply, and are available upon application.
