

# Wedding bells for Cassidy

**LAS VEGAS, Mon., AAP.** — Pop singer David Cassidy, idol of thousands of teenagers, has married actress Kay Lenz in a simple ceremony here.

Cassidy, 26, became famous in a popular series, "The Partridge Family".

Then he went on to become a pop star, being besieged in hotel rooms and mobbed by screaming fans during some of his tours.

The \$35 wedding took place yesterday at the Little Chapel of the West, one of the many marriage chapels here popular with tourists.

Cassidy wore a black suit and his wife, 24, a white lace dress.

The ceremony was delayed as Cassidy forgot to bring the marriage licence with him. It had to be fetched from his nearby hotel.
