Q. Is Shaun Cassidy related to David Cassidy? Also, is Shaun expanding his career into singing?—B.K., Camden, NJ

A. Shaun Cassidy, the star of "The Hardy Boys," and David Cassidy, the star of the now defunct musical series "Partridge Family," are brothers, sons of actress Shirley Jones and the late Jack Cassidy. As for Shaun's singing career, he has just released his first album, simply titled, "Shaun Cassidy." Two singles from the album, "Da Doo Run Run" and "That's Rock 'n' Roll," have bulleted to the No. 1 position on the U.S. record charts. Both went gold. Incidentally, in answer to the many letters received about Shaun, you may write him in care of Universal Television, the address listed above.
