

# Cassidy re-records old hits

David Cassidy is creating a new generation of fans with old Partridge Family hits.

Cassidy has re-recorded a soulful version of *I Think I Love You*, the first single off his new CD *Old Trick New Dog* released earlier this month.

The song has turned up in *Scream 2* and a Levi's commercial.

Cassidy's first CD in seven years also includes remakes of such '70s hits as *I Can Feel Your Heartbeat* and *I Woke Up in Love This Morning*.

"I'm not redoing these songs because I feel some obligation or pressure to do them," said Cassidy, who is starring in the **Las Vegas**

musical *EFX*.

"I'm doing them because I really love the songs. What pleases me the most is that the songs still work some 20 years later. It's the same guy singing, but from a different place."
