

## In Search of the Partridge Family

**Debut:** The rebirth of that '70s show about a family of bell-bottom-clad singers begins with a reality series about the audition process for VH1's upcoming version of the sitcom. Original Partridges Shirley Jones, David Cassidy and Danny Bonaduce screen a parade of aspiring Keiths, Lauries, Shirleys and Dannys. The

opener has clips of Bonaduce at casting calls in L.A., Minneapolis and New York, while other episodes will air live and give viewers the chance to pick which aspiring Partridges they think they love enough to put on the family's bus. (1:00)—G.J. Donnelly [More on p. 7.]
