

**I WOULD HAVE LOVED YOU ANYWAY**

*By Tony Romeo*

You know that I've been watching you for quite some time,  
Tryin' to find a way of makin' you mine.  
Long before you started a-comin' on strong with me  
With a super charm that brought me down to see;  
Hey, didn't you know that you've been actin' like a movie star;  
And didn't you think I'd dig the person you are;  
No, you really never had to put on all that show;  
I decided when I met you long ago, oh, oh,  
I would have loved you anyway I would have thought you were fine.  
I would have taken you any day, I still would try to make you mine.  
I would have loved you anyhow I would have thought you're O.K.  
Just like I'm lovin' you here and now,  
Tellin' ya' I'll never go away, go away.  
So you never really had to put on all that show  
I decided when I met you long ago oh, oh.  
I would have loved you anyway I would have thought you were fine.  
I would have taken you any day, I still would try to make you mine.  
I would have loved you anyhow I would have thought you're O.K.  
Just like I'm lovin' you here and now,  
Tellin' ya' I'll never go away.  
I would have loved you anyway I would have thought you were fine.  
I would have taken you any day I still would try to make you mine  
I would have loved you anyway I would have thought you were fine.  
I would have taken you any day I still would try to make you mine.
