

I'll Meet You Halfway

Chords and lyrics for I'll Meet You Halfway by The Partridge Family

D **G**
Will there come a day you and I can say
D **A**
We can finally see each other?
D **G**
Will there come a time we can find the time
D **A**
To reach out for one another?
G **D**
We've been travelin' in circles such a long,
A **D**
Long time tryin' to say hello, hello!
G **D** **A**
And we can just let it ride, but you're someone that I'd
D
Like to get to know.

CHORUS:

G **A** **D** **G**
I'll meet you halfway, that's better than no way
Em **A** **D**
There must be some way to get it together
G **A** **D** **G**
And if there's some way, I know that some day
Em **A** **D**
We just might work it out forever.
D
Will there come a day (will there come a day)
G
You and I can say (you and I can say)
D **A**
We can finally see each other?
D
Will there come a time (will there come a time)
G
We can find the time (we can find the time)
D **A**
To reach out for one another?
D **A** **D** **A**
I'll meet you halfway, that's better than no way

D **A** **D** **A**
I'll meet you halfway, that's better than no way
