

Song Of Love - Guitar Cords

INTRO: G Gmaj7 Em7 G7 C F D7sus D7

G Gmaj7 Em7
People everywhere seem to think
G7 C F D7sus D7
I won't survive, one day I'll sink.
G Gmaj7 Em7
Well, I guess I value less what they think
G7 C F D7sus D7
Than the song that I sing, and the hope that it brings.

Chorus:

C G D Em
Oh! It's a song, a song of love,
C G A7
And to me your heart is a choir.
C G D Em
Life is the song and the theme is love
C G F D
Give me my share and I'll get by.

G Gmaj7 Em7
I can never seem to achieve
G7 C F D7sus D7
All that the world tells me I need.
G Gmaj7 Em7
Guess they choose to see the things that I'm not
G7 C F D7sus D7
But an ace in the hole, now that much I've got.

CHORUS:

C G D Em
Oh! It's a song, a song of love,
C G A7
And to me your heart is a choir.
C G D Em
Life is the song and the theme is love
C G F D
Give me my share and I'll get by.

Am Am#7 Am7
Life is full of lots of happenings,
D9 Em G+ Em7 Em7
Oh, but they don't mean much without you.
Am F Am
And I know in the end if you're my friend,
F Am F D D
I won't get caught with nothing to do.

G Gmaj7 Em7
So, I think I'll just stay the same
G7 C F D7sus D7
Taking what comes and laugh at the rain

G Em7
And you know I just might make it through
G7 C F D D
As long as we keep what's between me and you.

CHORUS:

C G D Em
Oh! It's a song, a song of love,
C G A7
And to me your heart is a choir.
C G D Em
Life is the song and the theme is love
C G F D
Give me my share and I'll get by.
