

SONG OF LOVE

Recorded by DAVID CASSIDY on his "Rock Me Baby" album on the Bell label

*People everywhere seem to think
I won't survive, one day I'll sink
Well I guess I value less what they think
Than the song that I sing and the hope that it brings*

CHORUS

*Oh it's a song, a song of love
And to me your heart is a choir
Life is the song and the theme is love
Give me my share and I'll get by*

*I can never seem to achieve
All that the world tells me I need
Guess they choose to see the things that I'm not
But an ace in the hole, that much I've got*

REPEAT CHORUS

*Life is full of lots of things, lots of happenings
Oh but they don't mean much without you
And I know in the end if you're my friend
I won't get caught with nothing to do*

*So I think I'll just stay the same
Taking what comes and laugh at the rain
And you know I just might make it through
As long as we keep what's between me and you*
REPEAT CHORUS AND FADE.
