Soft as a Summer Shower

Recorded by DAVID CASSIDY on his "Rock Me Baby" album on the Bell label

*I've waited all my life for you
You're the love I was destined to
The good friend that I never knew until you*

*I felt that we might fall apart
Until you took me into your heart
Then I knew right from the start
We'd get on fine
And you came just in time*

CHORUS

*Soft as a summer shower
You fell on my thirsty life
And in my darkest hour
You came and you showed me light*

*We've loved and we've both been hurt
Promise me that you won't desert
'Cause this time it's just, just got to work
I feel it inside
Leave your heart open wide*

REPEAT CHORUS

REPEAT VERSES ONE AND TWO

REPEAT CHORUS AND FADE.
