

GO NOW

Sung by DAVID CASSIDY on his "Rock Me Baby" album, on the Bell Record label.

We've already said goodbye.

Since you gotta go girl you better go now

Go now, go now, go now

Before you see me cry

I don't want you to tell me just what you intend to do now

*'Cause how many times do I have to tell you, darlin',
darlin'*

I'm still in love, I'm still in love with you now.

We've already said so long.

I don't want to see you go but girl you better go now

Go now, go now, go now

Well don't you even try tellin' me

That you really don't want to see it end this way

*'Cause darlin', darlin' can't you see, can't you see I
want you to stay, yeah.*

REPEAT FIRST VERSE.

We've already said goodbye.

I don't want to see you go, but darlin', you better go now.
