

HOW CAN I BE SURE

Sung by DAVID CASSIDY, on the Bell Record label.

*How can I be sure
In a world that's constantly changing
How can I be sure
Where I stand with you*

*Whenever I, whenever I am away from you
I wanna die, 'cause you know
I wanna stay with you*

*How do I know
Maybe you're trying to use me
Flying too high can confuse me
Touch me, but don't take me down*

*Whenever I, whenever I am away from you
My ahhh is telling people
I don't care for you*

*Maybe I'm just hanging around
With my head up, upside down
It's a pity I can't seem to find
Someone who's as pretty and lovely as you*

*How can I be sure
I really, really, really want to know
I really, really, really want to know*

*How's the weather
Whether or not we're together
Together we'll see it much better
I love you, I love you forever
You know that I can be found*

*How can I be sure
In a world that's constantly changing
How can I be sure
In a world that's constantly changing
How can I, how can I, how can I
How can I be sure, I really wanna know
How can I, how can I, how can I
I really wanna know, I really wanna know
How can I, how can I, how can I
How can I be sure, I really wanna know
How can I, how can I, how can I, I really wanna know*
