

every little bit o'you

Recorded by THE PARTRIDGE FAMILY on their 'Shopping Bag' album on the Bell label.

*(Just a little bit, just a little bit
Just a little bit, just a little bit)*

*There's a little bit of you in ev'ry girl I run into
Ev'ry girl I ever knew and since that day
We went our own way, it's true
There's a whole lot of me
Still hung on ev'ry little bit of you.*

*There's a little bit of you in ev'ry tender night I've shared
They can see that you're still there
One look in my eyes and they realize it's true
There's a whole lot of me
Still hung on ev'ry little bit of you.*

*Now one girl has your smile
So we smile for a little while
One girl has your touch
So we touch, yeah we touched
'Til I found out she didn't really have your touch
That's when I knew I missed you a little too much.*

*There's still a little bit of hope
Hidin' down in this old heart of mine
Whispering there'll be another time
I looked around and what I found just won't do
'Cause there's a whole lot of me
Still hung on ev'ry little bit of you.
(Just a little bit) woh, just a little bit
(Just a little bit).*

*There's a little bit of you in ev'ry girl I run into
In ev'ry girl I ever knew and since that day
We went our own way it's true
There's a whole lot of me
Still hung on ev'ry little bit of you.*

REPEAT "JUST A LITTLE BIT" 8 TIMES

*All I ever wanted, all that I needed is just you
'Cox there's a whole lot of me
Still hung on ev'ry little bit of you
(Just a little bit) oh, just a little bit baby
(Just a little bit) all I ever wanted
All I ever needed.*
