Hello there!

A last David has got a British Fan Club all of his own – and a magazine to go with it! Isn't it wonderful? A whole mag, just packed with 'pix and fax' on DAVID, and I shall be passing on news and messages to club members on this page every month.

Write in to me and tell me about yourself and I'll add YOUR name to the never-ending list of official David Cassidy addicts. All you need to do is enclose a postal order for 75p, which should be crossed and made out to 'David Cassidy Fan Club'. That covers the whole cost of your first year's subscription and your 'David Cassidy Wallet'.

Inside it you will find your membership card, photographs, plus lots of other personal facts and intimate details about David. You see, he wants you to feel as though you've known him for years – not that you've only just been introduced, and he reckoned that this was the best way to give you that feeling.

Last – but not least – your wallet will also bring you sheets of notepaper, specially designed to show all your friends that you are somebody Devoted to David! They'll have noticed that by now, of course, but you can't let them see it too often – because that's one of the ways you can prove your support for David.

But that's not all . . . As a member of the Fan Club you will be entitled to price reductions on lots of David Cassidy posters and special offers during the next year – like the fabulous, giant, colour poster you can read about on page 24. If you send your subscription at the same time as your order for the poster, you get this fantastic maxi-pic of David at the special price of only 60p. (plus 10p. post and packing.)

How's that for the bargain of the month?

So, get moving with that pen and paper . . . Address your letter to: SUSIE MILLER, THE OFFICIAL DAVID CASSIDY FAN CLUB, 58 PARKER STREET, LONDON WC2B 5QB. Don't forget to enclose your postal order and YOUR OWN NAME AND ADDRESS IN CAPITAL LETTERS, so that I know where to send your wallet! You'd be surprised the number of people who do forget to do this – and then write in to complain that they haven't had their wallets!

And don't forget that the David Cassidy Magazine is the only way you can be sure that you're not missing out on anything to do with David! Order your regular copy next time you're round at your local newsagent and be certain of it every month!
