

YOUR LETTERS

EUROPEAN TOUR

Dear Pat,

Please could you tell me if the dates for the David Cassidy concerts have been fixed yet? Also, when will they publish them in your magazine?

I have heard two dates have been fixed. One magazine said June and a radio programme said the end of May.

JACQUELINE GOSLING, Portsmouth

Dear Pat,

Please do you know yet if David has any plans to come to the North of England again. I heard a rumour that David might be coming to Liverpool. Is this true? Please could you let us know when and where we can get our tickets?

Yours faithfully,
HELEN PARRY, Wirral, Cheshire

Dear Pat,

Could you please tell me when David will be arriving in Ireland. I know he'll be touring sometime in March or April, but I'd like to know the dates of when he's coming to Ireland.

Luv and Peace, D.C. FAN

We've received over a hundred letters in the last two weeks, all of them wanting to know the dates, locations, venues and the procedure for obtaining tickets to David's forthcoming tour. Since it was first announced, the details have changed twice, as Jacqueline Gosling noted in her letter above.

At this time, we simply can't give the final details at all. David and Ruth Aarons are still trying to arrange the tour so that the largest number of David's fans will be able to see him.

However, as those of you who have read the magazine regularly know, we will give you all the details next month. We believe that it is better to say nothing until we're sure, rather than to give you information which may be changed, and thus encourage you to make plans which may later have to be cancelled. Fair enough?

DAYDREAMER

Dear David,

I like your song "Daydreamer" and I think you are a fantastic popstar. I watch you on the Partridge Family every Saturday.

with all my love and heart,
PATRICIA ANN EVANS, Croydon

REVERSAL

Dear Pat,

On the back of David's *Cherish* LP is a pic of David sitting in a rocking chair with his right hand over his left hand and his ring on the little finger of his right hand.

There is also a similar picture that was printed in another mag a few months ago which I presume was taken at the same time as he was wearing the same clothes and sitting in exactly the same place, but then I realised that in this picture he had his left hand over his right and the ring on his left little finger.

I thought this peculiar as David normally has his ring on his right hand.

A DEVOTED DAVID CASSIDY FAN

You are not only devoted, but observant as well! The photograph that you saw in the other magazine was probably the same one that appears on the back of *Cherish*. In order to make it look like a different pic, they probably printed it reversed, which is fairly easy to do. As you can see on page ten of last month's mag, David does indeed wear his ring on the little finger of his right hand. ED.

COLLECTOR'S ITEM

Dear Pat,

I am writing this letter to tell you that I have saved over 340 pics of Darling David and have been asked many times if I would swap or sell them but I said no and I was wondering if you had any more savers like me, and what their total number was.

Yours truly,
MICHELE STEVENS, Port Talbot

You certainly are a devoted and dedicated fan, Michele. We also wonder how many of our readers have similar collections of photos. Can anyone top Michele's record? ED
