Hello!

This is a very exciting time for all of us now that David has started his big World Tour, and we do mean World Tour, because he is visiting New Zealand, Australia, and Japan—right on the other side of the world, over 12,000 miles away—before the really important dates arrive for us.

It's still a long time off but, pretty soon now, May will come and David will be here. All the details of his World Tour are included in this month's newsletter on Page 22, so if you haven't already read the details in other newspapers and magazines, then you'll find them listed there specially for you.

I must make one thing absolutely clear and that is that we are not handling any of the ticket sales for his concerts in this country, or anywhere else for that matter. Normally you will be able to obtain these by applying to the Box offices of the actual venues where he is appearing.

All I hope is that everyone of you will manage to get to one of his concerts whilst he is here. His White City appearance should be absolutely fantastic because there will be 45,000 David Cassidy fans crammed into the big London Stadium—and that's just about the right number to have at every single David Cassidy concert.

It's amazing when you look at the sort of stories that did appear about David in last year's press; particularly how he was just about to get married, was never going to appear again, was giving up singing, etc., etc. Almost every time we checked with him the answer was simply—NO, it wasn't true! And just to prove it, of course, you will soon be able to see him on stage yourself.

By the way, we have had quite a lot of letters from readers asking if they can obtain back issues of David Cassidy magazine. The answer is 'yes' we do have a few back numbers still in stock, and you can find the details of how to get them in this issue.

I am afraid that numbers 1-3 are out of print and, therefore, there is no point in writing in for these. If you do want any issue, then all you have to do is to send a cheque or postal order for 18p for each issue required. Address it to David Cassidy Magazine, 58 Parker Street, London, WC2B 5QB. Don't forget to cross your postal order and make it payable to the David Cassidy Magazine, and send it with your name and address in block capitals. I know that both Susie and I do keep repeating this and the reason is that we still get letters from readers and fan club members asking us to send things, but with no name and address.

See you next month.
