

# YOUR LETTERS

## MARRIED????

Dear Pat,

I've just heard that David is getting married. I know that these rumours go around all the time, but I still can't help wondering whether it's true or not.

Yours faithfully,  
BRIGIT, Cologne, West Germany

The answer is a very firm, very positive "NO"! David told us when he was here in May that he has no immediate plans to marry. So it looks like there still may be a chance for one of us! ED.

## MEMBERSHIP

Dear Pat,

In the June issue of the mag, I noticed that the price of a membership in the fan club was 75p. In May, the price was 86p and now I see that the price in the July issue is, once again, 86p.

Please, can you tell me what the price is, as I want to be sure to send the right amount.

JOAN BROWNLOWE,  
Bushey, Herts.

Congratulations on catching us out, Joan! We made the mistake of putting the old price in the June mag, and unfortunately no one spotted it until you did.

I just hope no one was too confused by our oversight. If you were, then I'm sorry. ED

## WHOSE HOUSE?

Dear Pat,

My friend has told me that, while David was here, he stayed with Elton John.

I have also heard that he stayed with Rod

Stewart. Please can you tell me where David actually did stay when he was in London.

SUE COLE,  
London

While David was here last May, he stayed at a private residence in Ascot. Does that give anyone any ideas who he might have stayed with? ED

## SOAPY GRIP

Dear Pat,

Could you please tell me (if you can) what David is holding in his hand on page 29 in the April 1974 issue of the mag.

YIANOULLA,  
Edmonton, London

I'm glad that I can help you on this point, Yianoulla, for two reasons. First of all, to answer your question, David is holding a piece of "soap on a rope". But the reason that I'm glad you wondered what it was is that, when we were putting the April issue together, we forgot to mention that Paula Howell, one of the Muscular Dystrophy Group winners, had given David that present as a memento of Britain.

The soap, in case you were wondering, is in the shape of a lion. ED
