

# Could it be forever?

*Could it be forever  
Or is my mind just a-ramblin' on?  
Well, I touched you once  
And I kissed you once,  
Now I feel like you're mine  
Well, I feel like you're mine.  
And I see in your face  
I'm not wrong to have these feelin's.  
Well, I feel like you're mine.  
I've never known a time before  
That's had so many meanin's.*

*Could it be forever  
Or am I just a-wasting my time?  
Well, I don't think so  
'Cause you let me know.  
You make me feel like you're mine  
Well, I feel like you're mine.  
And I can't remember  
When feelin's have been stronger.  
And all I know is I can't let go,  
I wanna be with you  
I wanna be with you  
Just a little while longer.*

*All my feelin's come together,  
All of me is here.  
Never known when I've felt better,  
I know this won't disappear.*

*But could it be forever  
Or is my mind just a-ramblin' on?  
Well, maybe it is and if it is  
Then I'll be moving on.  
Well, I feel like you're mine  
And I see it in your face  
I'm not wrong to have these feelin's.  
Well, I feel like you're mine.  
I've never known a time before  
That's had so many meanin's.  
Oh! Feel like you're mine,  
I feel like you're mine.  
Could it be forever?*
