Hi there!

Things are back to normal around here, and I'm not too sure whether I'm glad about it or not! After all, it got pretty hectic over Christmas, but, in a way, it was nice.

As I'm writing this, David still hasn't selected a record label. As usual, the news of these decisions leaks out quite awhile before anyone really makes up their minds. The last information I had was that David was holding discussions with R.C.A., but he has also talked to a number of other record companies.

I can't tell you any more than that, but I can promise you that as soon as any of us at the magazine or at the fan club have any information at all, we'll be letting you know.

I know that you're all interested in David's plans, but I assure you that we are too. After all, we wouldn't have been following him for all these years if we weren't interested in him, both as a person and as a performer.

And that reminds me, one really good way to keep in touch with people is by keeping momentos of their highlights. One of David's greatest high lights was his tour of Great Britain last summer. We still have some of the Official Souvenir Programmes that were sold on that tour, but we're running out FAST.

If you want a Souvenir Programme, all you have to do is send a cheque or postal order for 50p (made out to BEAT PUBLICATIONS) to SOUVENIR PROGRAMME, 58 Parker Street, London, WC2B 5QB.

By the way, it won't be too much longer until the prices go up on postage again. I understand that the price of 1st class postage will be as high as 7p.

I hope those of you who join the fan club will take careful notice of this, and make sure that you send in the correct amount of postage. Fortunately, as I'm writing this, it looks as though the rates are still the same. I'll let you know as soon as I can about the change in rates, but I must tell you that, with as many letters as we receive each month, it's impossible to answer any letters which don't have the proper stamp on the S.A.E.

So please make sure that you have the right amount of postage on any letters that you send to the fan club. Before I go, I just want to mention one last piece of business. ATTENTION Susanne and Petra, who sent in 5 reply paid postal coupons from West Germany on November 29th of last year. You forgot to enclose your addresses!

See you next month.

Susie
